

This Safety Information Sheet refers to the dry to touch coating (Drilloc) pre-applied to engineering fasteners.

---

**1. PRODUCT AND COMPANY IDENTIFICATION**

---

<b>Product Code</b>	Drilloc
<b>Trade Name</b>	Drilloc®
<b>Manufacturer/Supplier</b>	Loctite Ireland
<b>Address</b>	Tallaght Business Park, Whitestown, Dublin 24.
<b>Phone Number</b>	353-1-4046444
<b>Fax Number</b>	353-1-4510806
<b>Emergency Phone Number</b>	+353-1-4599301/+353-87-2629625/+353-1-4046444

---

**2. COMPOSITION/INFORMATION ON INGREDIENTS**

---

<b>Nature</b>	Dry to touch methacrylate based coating
---------------	---

---

**3. FIRE FIGHTING MEASURES**

---

**Fire Fighting Measures**

If product is involved in fire, extinguish with dry powder, foam or carbon dioxide. Trace amounts of toxic fumes may be released on incineration and the use of breathing apparatus is recommended.

---

**4. HANDLING AND STORAGE**

---

**Handling**

Prolonged or repeated skin contact should be avoided to minimise any risk of sensitisation. Repeated contact with threaded parts may damage the skin and make it more susceptible to attack by chemicals.

**Storage**

No special precautions necessary.

---

**5. EXPOSURE CONTROLS/PERSONAL PROTECTION**

---

Wear suitable gloves when handling threaded fasteners.

---

**6. ECOLOGICAL INFORMATION**

---

**Ecological Information**

Precautions required with respect to Environmental Hazards of articles in which this product is used should be considered.

---

**7. DISPOSAL CONSIDERATIONS**

---

**Disposal**

Not applicable.

---

**8. TRANSPORT INFORMATION**

---

<b>UN Number</b>	Not applicable.
<b>AIR (IATA)</b>	Not applicable.
<b>Sea (IMO)</b>	Not applicable.
<b>Road (ADR)/Rail(RID)</b>	Not applicable.

---

**9. OTHER INFORMATION**

---

<b>MSDS first issued</b>	26 May 2000
<b>MSDS data revised</b>	21 February 2001
